

## MUST PAY \$20,000 TO WIFE FOR SALE OF LIQUOR TO MAN

Twenty thousand dollars in damages for selling liquor to her husband after a warning not to sell to him had been duly given was to-day awarded to Mrs. Ida M. Heaton of No. 527 West One Hundred and Twenty-third Street by a jury in the Supreme Court of the Bronx, Justice Guy presiding.

The suit was against William R. Talbot, a liquor seller of Beacon, N. Y., but he neither appeared to defend it nor was he represented. The jury brought in a verdict for the full amount asked.

It is still possible for Talbot to have the case reopened and tried upon notice that he intends to defend it. Mrs. Heaton's action was brought under Section 42 of the Liquor Tax Law, which imposes punishment for selling liquor to any person after having been warned or forbidden by the wife or husband of such a person.

Mrs. Heaton testified that at one time her husband, Richard F. Heaton, was a highly prosperous business man with a chain of grocery stores in Beacon, Flushing Landing and other Westchester towns, and a profitable paper bag factory. But, she said, he became so addicted to drink that three years ago, in 1914, she had to notify Talbot, who kept a hotel and bar. Heaton's business, she went on, decreased as his drinking increased, and in November, 1914, she obtained a separation from him before Justice Morchauer, with custody of their three children. Alimony of \$100 was granted. Heaton, she said, paid for a year and then stopped. Then came the loss of the grocery stores and the paper bag factory and the arrival of \$3,000 in the alimony. The suit against Talbot was the next chapter.

Mrs. Edward R. Kline, sister of Mrs. Heaton, with whom she lives, gave corroborative testimony.

## Don't Let Soap Spoil Your Hair

When you wash your hair, be careful what you use. Most soaps and prepared shampoos contain too much alkali, which is very injurious, as it dries the scalp and makes the hair brittle.

The best thing to use is just plain milled coconut oil, for this is pure and entirely greaseless. It's very cheap, and beats the most expensive soaps or anything else all to pieces. You can get this at any drug store, and a few ounces will last the whole family for months.

Simply moisten the hair with water and rub it in, about a teaspoonful of all that is required. It makes an abundance of rich, creamy lather, cleanses thoroughly and rinses out easily. The hair dries quickly and evenly, and is soft, fresh looking, bright, fluffy, wavy and easy to handle. Besides, it loosens and takes out every particle of dust, dirt and dandruff.—Advt.
